

## Odd One Out

Look at the pictures and discuss which you think is the ‘**odd one out**’.

You must be able to give a **reason** and **justify** your thinking.

Questions to help your thinking:

- What is the same?
- What is different?
- Can you give more than one reason?

## Odd One Out

I can talk about science stories to develop my understanding of science and the world around me. **SCN 0-20a**

To help me understand stories and other texts, I ask questions and can link what I am learning with what I already know. **LIT 0-07a**

I have contributed to discussions of current scientific news items to help develop my awareness of science. **SCN 1-20a**

I can show my understanding of what I listen to or watch by responding to and asking different kinds of questions. **LIT 1-07a**

Through research and discussion I have appreciation of the contribution that individuals are making to scientific discovery and invention and the impact this has made on society. **SOC 2-20a**

I can show my understanding of what I listen to or watch by responding to literal, inferential, evaluative and other types of questions, and by asking different kinds of questions of my own. **LIT 2-07a**
